

Dear CCS Parents and Guardians,

Reading is an important part of everyday life. The summer months provide the perfect opportunity to extend and enrich your child's reading experiences. The more our students read, the better readers they will be. The goal of the summer reading assignment is to foster a love of reading, assist your child in becoming a lifelong reader, and maintain or even improve their reading skills. Upon returning to school in August, students will be asked to demonstrate that they have read the assigned novel by completing the appropriate grade level assignment/examination. Please see the list below for the novel your student will be required to read this summer.
