

Crown-A-Royal Fundraiser

Golf Event 2018

Hole Sponsor Registration Form

The Community Christian School Football Booster Club is hosting a golf event Monday, April 23rd, 2018 at The Trails Golf Club in Norman. We have organized this event for the single most important goal in youth athletics: player safety. The proceeds from this tournament will go directly toward brand new, state-of-the-art football helmets for the young men of our program. We hope you'll join us both for this very worthy cause, and for a day of fun and fellowship out on the links.

Your hole sponsorship of \$850 includes the following:

- A four-golfer team in the tournament, teeing off first from the very hole you sponsor (\$400 value)
- A half-page advertisement, with your logo, in the event program
- Custom signage at the tee box of your sponsored hole
- Clubhouse recognition as an event sponsor, both electronically and during the emcee remarks during lunch.

If you can join us, we can't wait to "swing the sticks" with you on April 23rd! Please fill out the below fields and include a check payable to "CCS Football." Mail the form and check (by March 20th) to:

CCS
Attn: Golf Event
3002 Broce Drive
Norman, OK 73072
