Thanksgiving Food Baskets

Thanksgiving is just around the corner. We are so very blessed. However, there are families who are in need and the holiday season simply becomes another point of stress. We do not need to look far to see a need. Our CCS Student council is challenging **EACH GRADE** or **CLASS** to go above and beyond to help meet the needs of families in our school and in our community. **STUDENT COUNCIL WOULD LIKE TO PREPARE AS MANY BASKETS AS POSSIBLE, BY THURSDAY, NOVEMBER 15.** If you are able, and would love to be part of this ministry, please send items from the list below. This is a project is a **GREAT** opportunity for individual classes or families share the gift of **GIVING**. If we ALL do something, **MUCH** will be accomplished. **BASKETS WILL BE DISTRIBUTED TO CCS FAMILIES** (or those close to CCS) **that may be struggling due to unforeseen circumstances at this time in their life.**

*CCS Families/Classes have always been so generous during our Food Basket Drive that we have been able to help others in need above and beyond the borders of our school.

*This year the CCS STUCO is partnering with Miss Oklahoma, Ashley Thompson, to provide for those in need through an organization called No Boundaries. No Boundaries is a non-profit organization that reaches out to those affected by human trafficking, as well as at-risk children and those struggling with homelessness, addictions, and brokenness. *All of the extra food collected will be donated to this organization.*

WE ARE BLESSED TO BE A BLESSING! Thank you for your support. CCS STUCO
