YOU CAN MAKE AN IMPACT! The SHINE ON CAMPAIGN is an opportunity for the CCS community of parents, grandparents, alumni, and friends to support the ongoing financial needs of our school. As a private school, CCS does not receive state or federal funding. Tuition alone does not cover the full cost of operating a school of our size. Your tax-deductible investment in Shine On benefits all areas of the school; including immediate needs of the school and maintenance and improvements of campus facilities. A powerful impact is achievable when we choose to support Christian education in our community. We pray you will consider making a donation to Community Christian School this year.
