PURCHASE YOUR 2017-18 CCS TEAM SCARF!

TEAM SCARVES have long been a tradition in the soccer world. The soccer scarf phenomenon began in the early 1900s. This trend originated in the United Kingdom where fans needed a way to stay warm without sacrificing their team spirit. It was here that the idea of 'team scarves' was born and became a time-honored tradition that never faded. TEAM SCARVES ARE NOT JUST FOR SOCCER! These scarves are a great way to show your school spirit at ANY CCS sporting event! Purchase your scarf in the HS office for only \$20.
