

RenWeb ParentsWeb

CCS uses RenWeb school management software online to record student data. You may access your student's daily assignments, grades, class announcements, and behavior reports using an Internet browser.

To access the ParentsWeb site:

- Open an internet browser such as Firefox, Internet Explorer, Safari, etc.
- Type in the address www.renweb.com
- Click on "LOGINS" on the far-right side of the screen.
- Click on "ParentsWeb Login."
- In the first box type our school's District Code: **CCS-OK**
- For first-time users, click the underlined link "[Create New ParentsWeb Account](#)".
- Click the button that says "Create Account."
- If you receive an error message, please contact the school to see if the email address you are using is correct.
- RenWeb will send an email to you with a link where you can create a unique username and password. For security purposes that link will only be active for 15 minutes.
- Click the link in the email "[Click to change password](#)".
- A new window will open in your internet browser where you can type a new Password. Make sure to type your password a second time in the "Confirm" box.
- Click the button "Save Password."
- You will receive a message on this page indicating whether or not the password has been successfully updated or an error.
- Once you have received your password, go back to www.renweb.com and login using your User Name and Password.
- Current grades, behavior record, lesson plans, homework, and attendance records concerning your student are now available to you.
- If you have any questions, please call the school office or email your questions to ccsoffice@ccsroyals.com.
