Each child can earn up to six Braum's ice cream treats throughout the school year just by reading, and it costs nothing to participate in the program! The program begins in October and lasts throughout the school year. Teachers will keep Braum's Book Buddy booklets in their classroom and monitor their students' reading. The teacher will place a Book Buddy sticker in the student's booklet for each book read. When a student has read six books, the teacher rewards the student with a coupon for a free treat from Braum's!
