

CCS WEEKLY MEMO

May 25, 2022

Lord, as we end this year we pray blessings and protection over the students and families of CCS.

We thank you for the students, faculty, staff, administration, families and businesses who have contributed to making this a great year of nurturing and growth.

We are thankful for your protection throughout the year and we cherish the times of excitement, learning, laughter, accomplishments and creativity.

We also recognize the times of struggles, difficult work, misunderstandings, and even failure... We pray that we learned from these times.

As summer break begins, we pray that family plans of relaxing, sleeping late, swimming, bike rides, vacations, camps, tutoring, or working extra hours will allow our students a time of joy, peace and safety, and that their homes will be a place of relaxation.

We pray for your blessings on our CCS employees and volunteers as they take time to relax and re-charge during the wonderful months of summer and prepare for a new term.

We pray that the seeds that were planted this year will fall on fertile soil and if one does not know YOU as their Savior they will soon come to know Christ in a personal way. Amen

Thank you all for being a part of the CCS family...Enjoy your break!

And Lord, In Your Name, we ask for special care and comfort for the families whose lives and summer plans were forever changed due to tragedy this week. May they feel your everlasting presence.
